

The Whitney - FRONT ELEVATION

ILLUSTRATIVE ELEVATION REFERENCE | NOT CONSTRUCTION DOCUMENTS

These elevations show side-facing garage doors; the offered home has a two-car front-entry garage as shown in the proposed plans. Final garage doors, materials, grading and homesite placement are subject to design coordination and contract. Not measured, engineered or permit-ready. Refer to the proposed plans for the offered home; no licensed professional approval is implied.

The Whitney - LEFT ELEVATION

ILLUSTRATIVE ELEVATION REFERENCE | NOT CONSTRUCTION DOCUMENTS

These elevations show side-facing garage doors; the offered home has a two-car front-entry garage as shown in the proposed plans. Final garage doors, materials, grading and homesite placement are subject to design coordination and contract. Not measured, engineered or permit-ready. Refer to the proposed plans for the offered home; no licensed professional approval is implied.

The Whitney - REAR ELEVATION

ILLUSTRATIVE ELEVATION REFERENCE | NOT CONSTRUCTION DOCUMENTS

These elevations show side-facing garage doors; the offered home has a two-car front-entry garage as shown in the proposed plans. Final garage doors, materials, grading and homesite placement are subject to design coordination and contract. Not measured, engineered or permit-ready. Refer to the proposed plans for the offered home; no licensed professional approval is implied.

The Whitney - RIGHT ELEVATION

ILLUSTRATIVE ELEVATION REFERENCE | NOT CONSTRUCTION DOCUMENTS

These elevations show side-facing garage doors; the offered home has a two-car front-entry garage as shown in the proposed plans. Final garage doors, materials, grading and homesite placement are subject to design coordination and contract. Not measured, engineered or permit-ready. Refer to the proposed plans for the offered home; no licensed professional approval is implied.
